

BLUE EDUCATION IN ACTION

APRIL 9TH, 2024

WORKSHOP

WIDENING AND DELIVERING IMPACTS: BRINGING THE BLUE EDUCATION CONVERSATION FORWARD

AN HYBRID EVENT IN ENGLISH

ON SITE: el Center de la Platja, Barcelona

ON-LINE: Zoom link will be sent to registered participants

Co-organized by: ACTeon, All-Atlantic Blue Schools, BlueLightS, Ciencia Viva, EMEPC, EMSEA, EU4ocean coalition, ICM-CSIC, OFB

Facilitated/supported by: **Farhat Nascimento Bajwa** (ACTeon), **Louise Bigot** (OFB), **Patricia Conceicao** (EMEPC), **Anna Maria Marino** (YEE), **François Morisseau** (OFB), **Carine Simon** (ICM-CSIC), **Pierre Strosser** (ACTeon) and **Dominika Wojcieszek** (EMSEA)

Listen to experiences from blue education networks from different parts of the world. Contribute to interactive sessions to identify what matters most to reach many schools and to deliver highest impacts. Help identifying key areas requiring better knowledge, prototyping and mechanisms that will support the upscaling of blue education so it reaches many and is impactful.

AGENDA

14h15 **Opening** - welcome, objectives of the workshop, tour de table

Setting the scene: a diversity of blue education experiences!

When the ocean visits the Science Congress of Barcelona - *Susana Navarro Jiménez*, Consorci d'Educació de Barcelona, Generalitat de Catalunya (Spain)

14h25 **The Olympic blue schools experience** - *Ascensión Ros Garrido & Alfonso Vera Martinez*, CEIP Félix Rodriguez de la Fuente (Spain)

Bringing the blue to the class-room: the Network of EU Blue Schools - *Evy Copejans*, EMSEA/ EU4Ocean (Belgium)

Interactive group discussions (both onsite and online)

Topic 1 - How to reach the “difficult to reach”? Inland children, socially vulnerable groups, migrants, disabled people, indigenous communities... Building on inspiring experiences from:

Involving local communities in Ocean Literacy at Ecuador’s coast - *Daniela Hill & Bea Almonacil*, Amiguitos del Oceano (Ecuador)

Thalassophile Project: Making marine science & ocean literacy universally accessible - *Rada Pándeva*, Interchange Non-Profit gUG (Germany)

Dissemination activities and experiments in Argentinean schools - *Diego Moreira*, Universidad de Buenos Aires (Argentina)

14h45

Topic 2 - Assessing impacts... and conditions for impactful blue educations

Building on inspiring experiences from:

Back to the basic; what to measure, how and why - *Géraldine Fauville*, Department of Education, Communication and Learning, University of Gothenburg (Sweden)

Assessing the impacts of the French Aires Marines Educatives: Preliminary food for thoughts - *Bréwal Soyez-Lozac’h*, Université de Rennes – ENS Rennes (France)

Assessing the impacts of the Escola Azul - *Raquel Costa*, EMEPC (Portugal)

15h25 **Key messages from group sessions and collective discussion**

15h40 **Closing statements**

15h45 **End of the workshop**
